Plaza East Access Form.pdf

Robert,

Per our discussion this afternoon, attached is the consent for access form for your client, Joseph Basile of Plaza East, LLC, to sign to allow EPA access to conduct sampling on his property. At this time, EPA anticipates taking approximately 10 soil samples to a one foot depth in the vicinity of a drainage swale which extends from Lower Ley Creek. Please let me know if you have any questions. After your client signs this form, please return it to me (charney.lauren@epa.gov or fax: 212-637-3104) and Pam Tames (tames.pam@epa.gov), the project manager for the Site.

Thank you.
